# Give2Asia Overview

Speaker: Ms. Teresa Orr, Vice Chair

Time: 10:30 am, Wed., August 23, 2017

Give2Asia is an international nonprofit organization that connects corporations, foundations, and individuals with charitable projects and social enterprises across Asia. Since 2001, Give2Asia has built a network of over 2,000 grant recipients and 15,000 donors in 25 countries from Afghanistan to Australia.

Our work focuses on key issues such as healthcare, the environment, disaster preparedness and relief, and poverty alleviation. We believe that local knowledge counts: Give2Asia has a team of local staff, in-country advisors, and partners in every country where we work, ensuring projects are effective, results are transparent, and grant recipients are accountable.

Give2Asia has proudly served as the philanthropy partner in Asia for hundreds of donors, companies, foundations, and nonprofit organizations, including Adobe Systems, Bank of America, Margaret A. Cargill Foundation, Caterpillar, Deshpande Foundation, EMC, Facebook, David & Lucile Packard Foundation, PEPSI, Qualcomm, Silicon Valley Community Foundation, Starbucks, State Street, Steamboat Ventures, and Synopsis.
